FOR YOUR PEACE OF MIND

Travelux Holidays are fully bonded members of both the Civil Aviation Authority – ATOL No 3719 and ABTA – ABTA No 61926 and V8177. This means that your hard and well earned holiday is fully protected financially. Coupled with our dedication and care we really can ensure your peace of mind. We are also proud to be members of AITO, an association that really does care about service and choice.

THE AITO QUALITY CHARTER

AITO is the Association for independent and specialist holiday companies. Our member companies, usually owner-managed, strive to create overseas holidays with high levels of professionalism and a shared concern for quality and personal service. The Association encourages the highest standards in all aspects of tour operating.

Exclusive Membership: sets criteria regarding ownership, finance and quality that must be satisfied before new companies are admitted to membership. All members are required to adhere to a Code of Business Practice, which encourages high operational standards and conduct.

Financial Security: members are required to protect money paid by customers to the member for any holiday sold under the AITO logo and to comply with UK Government Regulations in this respect. Members submit details of their bonding and guarantee arrangements to the Association on a regular basis.

Accurate Brochures and Websites: All members do their utmost to ensure that all their brochures and other publications, print or electronic, clearly and accurately describe the holidays and services offered.

Professional Service and Continual Improvements: All members are committed to high standards of service and believe in regular and thorough training of employees. Members continually seek to review and improve their

holidays. They listen to their customers and always welcome suggestions for improving standards.

Monitoring Standards: AITO endeavours to monitor quality standards regularly. All customers should receive a post-holiday questionnaire the results of which are scrutinised by the Association.

Responsible Tourism: All members acknowledge the importance of AITO's Responsible Tourism guidelines, which recognise the social, economic and environmental responsibilities of tour operating. Those demonstrating their achievements beyond the pure acceptance of this principle are recognised by the award of 2 or 3 star status.

Customer Relations: All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.

Summers in Lefkada are reliably long and dry with brilliant sunshine and generally calm seas. This sort of weather usually lasts from May to October, with July and August being the hottest months. In spring and autumn there is generally plenty of sun although the temperatures are lower than in the summer. December to March is the wet and windy period. In summer the wind is usually very light in the mornings, picking up around noon (blowing to force 2-5) and dying away at sunset. Sea temperatures for swimming start at 18°C/65°F in May rising to 25°C/76°F in August and falling to 21°C/72°F in October. The climate in Zagori is similar to the islands, but three or four degrees cooler. The evenings may seem cooler so a jumper is advisable even during the summer months.

GENERAL INFORMATION

AIR CONDITIONING

All of our accommodations in Lefkada (except Villa Melivaro) and our cars have air-conditioning.

AIRPORT HOTELS

We have details of a selection of hotels nearby to departure airports and would be happy to give you a quote, book it and send you the details.

AIRPORT CAR PARKING

London Gatwick, Manchester and Stansted. We can give you a quote to park your car for the duration of your holiday and book it for you.

AIRPORT REPRESENTATION

Skytime International represents Travelux at London Gatwick Airport. Should you have an emergency outside Travelux hours, you can telephone Dave Hilton on 01293 522748 prior to your departure. Our representative will always be in attendance at the check-in desk for our flights two hours before departure until the check-in desk closes. Aeroconnect has a desk in Terminal 1 and 2 in Manchester airport. Please call 0161 4374899 for any queries.

BEACH TOWELS

Each guest that has booked our package holiday will be supplied with one beach towel for use throughout the duration of their stay and may be kept by them if they wish.

BOAT HIRE

Fibreglass boats with outboard engines are available for hire on Lefkada or Meganissi. With some of our properties, the package price includes a 15 H.P. engine boat. Other boats with larger size engines are available for hire but may require certification of the Skipper.

BRING WITH YOU

Please bring with you any extra beach towels (see BEACH TOWELS), a torch and a pair of trainers for country walks. Please note that new hand luggage restrictions prevail. DO NOT pack electrical items or sharp objects such as knives, scissors, tweezers etc in your hand luggage for security reasons.

CAR HIRE

The law insists that you always carry your driving licence and car hire documents when driving in Greece. The new style European licence has a paper part and a plastic card. Both are required. You must have had a full clean licence for more than one year and be 23 years of age or older to hire a car. There is no upper age limit. Random checks and breath testing are quite common.

CHARTER FLIGHTS

Most charter flight operators configure their aircraft to optimise passenger numbers particularly on short haul destinations, and seating may not be as comfortable as other aircraft. However it does mean that economically they can fly to a wider range of destinations. We do appreciate the importance of in-flight comfort and that this varies from one person to another. Should you wish to prebook seats or book legroom seats, where possible we will advise how to do this.

It is possible to fly scheduled to Athens with Club Class upgrades. We do stress this means a change of aircraft and we cannot guarantee connecting waiting periods.

CHILDREN AND INFANTS

Infants under 2 years of age at the time of their return journey, there is a total set charge of £60. Please note that a baby will receive an E-ticket number or flight ticket but this does not qualify for a flight seat or baggage allowance on the aeroplane. Travelux will provide a cot, highchair and a child car seat on request. (Please bring your own cot linen.). Please write your requirements in the Special Requests box on the booking form stating your baby's age. Disposable nappies and a selection of baby foods are available on Lefkada. Children 2-16 years inclusive at the time of their return journey, have a reduction off the adult price, please see brochure for details. This price includes a flight seat, luggage allowance, a highchair (where requested) and a car seat.

CLIMATE

The weather on the islands and the mainland is normally good from May until November.

Afternoon breezes provide perfect conditions for safe and exciting sailing, windsurfing and boating throughout the season. In May there are wild flowers in profusion, and as June approaches there are fireflies and the water temperature is rising. Greater quantities of fruit and vegetables are available. In July and August warm seas have phosphorescence and high temperatures. September and October see the start of the grape harvest and the valleys are carpeted with cyclamen. The bracken and olive trees remain green throughout the year. Sporadic showers can occur throughout the season.

CLOTHES AND OTHER ITEMS

Apart from religious festivals, the lifestyle of the islands is not formal and we therefore suggest informal clothes. Evenings, particularly in the spring and autumn, can be cool so take a fleece and sweater. A light waterproof is recommended for those who like to walk through the occasional shower. In Zagori the temperature can drop so be prepared. We recommend a pair of trainers for light walking or walking boots for Zagori for the active, and sandals for everyday use. A backpack or beach bag for daytime use and a torch for possible power cuts or returning to accommodation at night.

COMMUNICATION

There are no telephone sockets for use of a landline telephone, broadband or Internet access in any of our accommodations. There are public phones available in the Cleopatra Hotel, Lefkada, the villages and Internet Cafes in Nidri, Lefkas town and Ioannina. By prior arrangement, our office does have Internet access and a fax machine and our staff will deliver important messages. Mobile phones are readily used but signals in some areas may be weak. Check your mobile phone provider for roaming access abroad, terms and conditions.

COOL BOXES

Cool boxes and ice packs are supplied in all the villas.

CURRENCY

The currency is the Euro. Traveller's cheques (Sterling recommended). Debit cards, Credit cards and cash can be used in Greece. Exchange facilities are widely available in resorts and banks with ATM facilities can be found in the towns of Lefkas, Nidri, Vassiliki Kalpaki and Ioannina. Please note that credit cards are not widely accepted in remote areas or islands of Greece. There are no full time money exchange or ATM facilities on Meganissi. You may wish to inform your bank/credit card company that you are going abroad as some cards have been refused if not usually used in this way.

DATA PROTECTION

All personal details we collect from clients are treated by us as strictly private and confidential and are not passed on to any third parties other than the car hire company for immediate use only. On request we can inform/show you where your details are kept.

DISABLED PASSENGERS

If you are disabled, please contact our reservations Staff who will be able to suggest the most suitable holiday resort and accommodation according to your requirements and mobility. Collapsible wheelchairs are accepted on all our flights, provided we have received notification. All paperwork can be produced in large print where requested and booking conditions etc on tape.

DISTURBANCES

Many resorts are continuing their development and occasionally, some local building work may take place. Third parties generally carry out any building works to whom we have no control. Furthermore, they are frequently intermittent and we may only become aware that they are taking place when they actually commence. Wherever we are aware that such works are likely to occur and cause an annoyance during your holiday, we will endeavour to advise you before your departure.

DOCTORS

There are a number of Doctors and a hospital in Lefkada and in the City of Ioannina. Our representatives will be able to contact a Doctor if required. The hospital and a number of chemists carry a wide supply of medicines and equipment. We do recommend that clients

under medication should bring a plentiful supply with them.

DRIVING IN GREECE

Although improvements have been made over the past few years, most Greek roads, particularly country and mountain roads remain narrow, winding and some are in a poor state of repair. Clients should take this into consideration as some may have potholes and bumps, especially after a period of rain. Some of the access roads to our properties are unmade and should be taken slowly and carefully. We do ask you to take particular care, listen to instructions and to show understanding.

FINANCIAL PROTECTION

If you book arrangements other than a package holiday that include flights from this brochure, your monies are protected by way of a bond held with ABTA. Our ABTA number is V8177. Your package holiday that includes flights is protected with a bond under our ATOL licence 3719.

FLIGHT DETAILS

We use charter flights from London Gatwick, Manchester and Stansted. Our flights are with airlines such as First Choice, Monarch, Astraevs or other reputable airlines. The duration of all our flights to Greece is approximately 2 - 3 hours. All operate 'No Smoking' policies.

Every Sunday	Depart	Arrive
First Choice Gatwick/Preveza	14:55	20:05
Preveza/Gatwick	21:05	22:25
First Choice Manchester/Preveza	13:10	18:45
Preveza/Manchester	19:45	21:10
Titan Stansted/Preveza	11:30	17:00
Preveza/Stansted	18:00	19:30

The above times given are local times and the flight details and times are historical and to be used as a guide line only. These slots are often retained year after year but are not confirmed and are subject to possible changes. (Greece is 2 hours ahead of the UK). We may change the above charter company to a different one, which will be issued different times of departure/arrival. Check-in times are 2½ hours (minimum) prior to the confirmed departure time stated on your E-ticket or paper flight tickets. Our flights operate on a weekly basis. On certain dates we are able to offer two, three or four week holidays. It is recommended to book such durations early, as they are limited.

FLIGHT TIMES AND CHANGES

Our brochure is compiled many months before airline contracts and schedules are finalised. Flight times quoted at the time of booking (and on your confirmation invoice) are normally provisional only and subject to change, usually up to the point when tickets have been dispatched (and, on occasions after). We will inform Clients as soon as we are aware of any changes. A significant flight time change of more than 12 hours will mean Clients can cancel their flights/holiday with no loss of deposit. We advise you contact Travelux 48 hours prior to departure to confirm your flight details.

FLIGHT DELAYS

At the time of going to press, the flight numbers and times are as instructed by the airlines but could be subject to change by the CAA when the official time slots are issued. Any changes on the day of departure are an inconvenience. If you have already checked in your luggage, you then become the responsibility of the airline. Flight delays may occur for various reasons and are beyond our control. If there is a significant delay and you haven't checked in, you should check your insurance policy. Travelux Holidays adheres to the limitations of the Warsaw Convention and Montreal Convention. Details may be forwarded on request or found on the internet; www.caa.co.uk.

FOREIGN OFFICE ADVICE

The Foreign & Commonwealth Office produces up-to-date travel information to help British travellers make informed decisions about travelling abroad. Clients can find any advice on the internet: www.fc.gov.uk/knowbeforeyougo. BBC2 Ceefax page 470 or by telephone on 0207 008 0232 or 0845 850 2829. From Overseas 0044 1530 553424. Should we be

made aware of a situation that could affect your holiday, we will inform you immediately.

FRIENDS OF THE IONIAN

Friends of the Ionian (FoI) has been set up as a non-profit making company, limited by guarantee and independent of any company or organisation, to ensure that tourism develops in a manner consistent with the interests of the Ionian community, the environment and the 'greening' nature of today's traveller. FoI provides a public information service in order to aid the protection of endangered species, and to preserve and promote the region's heritage. FoI aims to bring the experts (often the locals themselves) on science, nature and the Ionian heritage, to the Ionian community and its visitors. This introduction could be in the form of self-guiding/guided walks, information leaflets, or the provision of practical opportunities for cultural exchange. FoI operates in co-operation with projects across the Ionian including the Monk Seal and Loggerhead Turtle projects on Cephalonia and Zakynthos. FoI aims to complement, from a public awareness aspect, any Ionian project that will lead to a greater understanding and protection of this unique region. FoI has also been instrumental in coordinating a co-operative effort of monthly island cleans across the Ionian and a production of a number of useful information leaflets on the Birds and Marine life of the Ionian along with enjoyable Self-Guided Trail leaflets designed to introduce you to the environment and culture of the islands. www.foi.org.uk.

HEALTH REGULATIONS

There are no immunisation requirements for getting into Greece, however, having up-to-date Polio and Tetanus jabs are always recommended when travelling. BBC2 Ceefax page 461 or phone 0870 155 5455 to obtain Department of Health leaflet or visit www.dh.gov.uk for 'Health for Travellers'. All British and Europeans should obtain a European Health Insurance Card (EHIC). Leaflets are available from the Post Office or from the above website. Pregnancy Note: Airline regulations state that women 28 weeks or more into pregnancy, at the time of return travel, must have a medical certificate of fitness to travel. Normally, after 32 weeks, permission to travel is refused. (Check with your insurers too).

HEALTH & SAFETY

Raising the standards of Health and Safety has always been of utmost importance for Travelux. Regulations and standards differ from country to country and may not reach the high standards expected in the UK. Safety standards are certainly lower than the UK but we do ensure we comply with the local laws and try to make our clients aware of any possible risks. We ask you to familiarise yourself with your surroundings, read the villa or hotel book and liaise with your representative, particularly when travelling with children or if you have any physical difficulties. All of our owners provide fire extinguishers, and life belts are beside every swimming pool. Should you notice other dangers, please point them out to our representative.

HOLIDAY EXTRAS

Airport hotels/parking, transfers and VIP lounge. If you require overnight accommodation at the airport, car parking, rail or coach transfers from your home, we would be pleased to offer these and other services at preferential rates. Please call us for prices and details on 01580 765000.

IN FLIGHT MEALS

Requests for special dietary requirements should be made at least seven days before departure. Whilst we always pass on your requests we are unable to guarantee such requests. We recommend that you always re-confirm your in-flight meal request at check-in.

INSURANCE

It is our company policy that all clients travelling with us are required to insure against all holiday risks. We strongly recommend you take out an insurance, which provides protection against cancellation charges, medical expenses, personal accident, and loss of luggage, personal money and repatriation service. Please note you are responsible if the insurance policy you take out does not meet your particular requirements. Travelux can offer a comprehensive travel insurance package at competitive rates for

various durations up to annual insurance and also to cover European trips only, worldwide and family policies. Please enquire on 01580 764344 for a quote. In addition to your policy, we advise you obtain a European Health Insurance Card (EHIC). See Health Regulations paragraph.

LANGUAGES

Greek is the Mother tongue but English, German and Italian are often spoken by local people on the island. A list of essential Greek words and phrases are written in our information books in all our accommodations.

LUGGAGE ALLOWANCE

On most charter flights from Britain there is an allowance of 20 Kilos per passenger in the hold and 5 Kilos plus size restrictions of 45cm by 35cm by 20cm for hand luggage. There is no allowance for children under 2 years old. There have been many changes due to recently introduced security restrictions and you should check with us, the airline or on the internet: www.dft.gov.uk/airportsecurity before departure. DO NOT pack electrical items or sharp objects such as knives, scissors, tweezers etc in your hand luggage and check the regulations on carrying liquids on the above site or with Travelux.

MAID SERVICE

The maid service usually consists of a thorough clean and a change of linen twice a week. Other visits are a more general sweep and tidy up. They are not required to wash dishes or clothes. All accommodations have sheets, pillowcases, bedding, bath and hand towels and tea towels provided.

MOSQUITOES

In common with other Mediterranean countries there are times when mosquitoes can be irritating. Anti-mosquito devices, sprays and repellent creams are highly recommended and can be purchased at most chemist shops, UK airports and in Greece.

MOTORBIKES AND MOUNTAIN BIKES

There are hire shops in all the main centres. We would like to point out that some of the island roads are precarious for inexperienced riders, we recommend car hire as a safer means of transport. We use a bike company that comply with the necessary regulations and service their motorbikes and mountain bikes regularly. They will collect and deliver to your accommodation or you can collect from one of their offices. They offer a back up service on site should you encounter difficulties. N.B. Please check your insurance policy to be sure you are adequately covered. Motorbike and mountain bike cover is at your own risk. Greek law requires a valid driving licence with at least category A1 - 'Light motorcycle' for hiring a moped. Category P, which is valid in the UK up to 50cc, is not valid in Greece. Greek law requires you to wear a crash helmet on a scooter, moped or motorcycle. Helmets are available on request when hiring mountain bikes.

PASSPORTS AND VISAS

British visitors to Greece will need a full British Passport, valid for the duration of your intended stay. Australian, Canadian and USA with a minimum of 3 months validity remaining after duration of stay. All children under the age of 16 (including babies) already included on a valid 10-year passport and travelling with that adult are still accepted. Otherwise all children will require their own passports. Passports not required by citizens of EU countries holding National Identity Cards. British Citizen passport holders do not require a Visa. Any other passport holders and for further information, please check at the Embassy of Greece: www.greekembassy.org.uk or Tel: 0207 221 6467 or contact Passport Advice office www.ukpa.gov.uk or email info@passport.gov.uk or phone 0870 521 0410.

The name on your booking, E-ticket or paper airline ticket must correspond with the name on your passport. Please ensure that you make the correct entry on the Travelux booking form.

PREVIOUS CLIENTS

For all full paying guests, whom have travelled on one of our package holidays in the last 3 years, will be entitled to a 5% reduction off the 2008 brochure price. This is a gesture of our appreciation to our loyal customers.

SAILING HOLIDAYS

We are able to provide a broad range of sailing opportunities, see page 60 in our brochure. This maybe a one-day charter with skipper, a three day learn to sail course or maybe a one-week charter with or without a Skipper. It is possible to combine a yacht and villa holiday to suit your requirements, see details/costs in booking form. Please call us on 01580 765000.

SPORTS

Water sport facilities and activities are available on Lefkada and mainland Greece but can differ from year to year so please contact us for details. Dinghy sailing, yacht sailing, windsurfing, water skiing, scuba diving, self-guided walks, mountain biking, are generally available over the summer months.

SUN UMBRELLAS

A beach umbrella is provided for your use in all our accommodations for the duration of your stay.

TAVERNAS

On the Greek Islands, most tavernas offer a similar menu (although it is best to lift the top of the casserole dishes in the kitchen to select by smell and sight) and the enjoyment is a combination of a romantic waterfront location and freshly cooked dishes, rather than the presentation of sophisticated cuisine. Most tavernas offer a selection of freshly grilled meat and fish (fresh lobster except in August), accompanied by vegetable dishes (aubergines or courgettes lightly coated in batter and deep-fried, delicious!) and crisp, light salads. Fresh fruit in abundance and sugary sweetmeats like 'katalifi' and 'baklava' or the creamy yoghurt, mixed with local thyme-scented honey, tastes best in Greece.

WALKING IN ZAGORI

(General Information) Groups: The Nationality is usually British, of mixed sexes with group sizes between 6 and 12. Groups are made up of clients booking alone, accompanied with a partner or a party of friends. Age range can vary, usually no younger than 18 and if over 65 years, we ask for a medical certificate as proof of fitness to participate.

Physical demands and fitness: You should be reasonably fit before embarking on these trips. If not, then start a small training programme. Make time to walk, instead of using the car, or perhaps take part in aerobics or go swimming. This doesn't stop you feeling

weary after a days walking but it helps build up stamina and strength. The distances each day differ but are never far. However, the clean air, higher altitudes and variable rugged terrain can easily wear out a very unfit office worker.

Health requirements: If you take regular medication, make sure you bring up to three weeks supply even though you may only be away one week. We need to know if you are allergic to anything from food to insects. Please inform the guide and come prepared with any antidote. If you are over 65 years old, have had any serious operations or suffer a recurring problem such as knees, asthma etc., we suggest you take advice from a Doctor and get a signed certificate. Inform us if you have special dietary needs, such as vegetarian, diabetes etc. We cannot guarantee to provide a variable cuisine but we will do our best to accommodate special needs. Come prepared with snacks as even corner shops are far and few between.

Meals and drinks: Breakfast is usually fresh bread, locally made butter, jam and sometimes cake. Lunch will be a picnic most days containing tomatoes, cucumber, cheese, eggs, bread and fruit, also some tinned goodies for variety. The odd day may be a light lunch in a local taverna. Dinner is always freshly prepared and will vary: salads, local spinach/cheese pies, local cheeses, pastas, rice, casseroles of pork or beef, oven cooked chicken or lamb or some trout from the Voidomatis river. Drinks, other than water, coffee and tea at breakfast, are to be paid for. The local wines either bottled or carafes are excellent. Beers and soft drinks are also readily available. Please note that mini-markets for fruit, snacks etc are virtually non-existent.

Transport: Clients are transferred to/from the airport, accommodations or destinations by minibus, sometimes by car or taxi. Preveza airport to Ioannina is approximately 2 hours, Ioannina to Vitsa/Monodendri/Ano Pedina is 40 minutes. Ioannina to Megalo Papingo is 1 hour.

Currency: The local currency is the Euro. There are no banks or exchange facilities in Zagori so bring cash in Euros with you. Credit cards, Debit cards and travellers cheques will also be useless in Zagori but for our walking group, you will only need money for postcards, drinks, ice creams etc. If you should go to the City of Ioannina, you will be able to use credit cards in some shops and get cash from one of many ATM's. The Banks open from 0800 - 1400 hours Monday to Friday. Money is only needed in Ioannina for drinks and presents, museum entrance or perhaps for a boat ride to the island on the lake. (Subject to the itinerary).

Luggage: Please try to keep the weight and size of your main luggage to the minimum. One or two soft roly-poly type bags or a rucksack is better than a suitcase as it is easier when we transfer your luggage. If staying in Lefkada for a second week then divide your luggage up and give us the luggage you don't need for the walking week to store. Maximum weight in the hold is 20 Kilos per person. Hand luggage restrictions of 5 Kilos plus size restrictions of 45cm by 35cm by 20cm are also enforced 1 piece per person. A backpack is needed to carry your daily provisions (including pack lunch). Don't forget to label your entire luggage.

Contents of backpack Spare change of clothing, waterproofs, water bottle, sweets etc. to suck, hat, sunglasses, sunscreen, mini first aid kit of plasters, headache tablets, tissues etc, camera and film, binoculars, plus a picnic lunch is divided up between the groups.

Temperature It can change radically from extreme cases of -3°C at night in Mikro Papingo during early season to +30°C mid afternoon mid season, so come prepared for every eventuality. June to September is usually no lower than +15°C at night and up to +30°C during the day. The odd quick rainstorm will happen throughout the year. September will bring a few more cloudy days with rain late afternoon. Like everywhere in the world, the climate is changing and unpredictable.

Clothing and equipment A suggested items list will be sent when your booking is confirmed.

Guides We use local guides in Zagori who are fully trained and are competent to make judgements with the Group's safety in mind. They are able to administer first aid and carry safety equipment as well as a first aid kit. All of

the guides are experienced in trekking, have a love for the area and enjoy participating with the Group. Most of the guides are skilled in at least one subject so will enjoy giving details on the terrain, wildlife, flowers, history, folklore or personal previous experiences. The group must adhere to the decision of their guide. He/she may have to change the route, e.g. postpone a leg of the route perhaps due to worsening weather conditions or other reasons that may put the Group or other fellow walkers in jeopardy.

Grade of walks: The walking holidays in Zagori are Grade A to B. These routes are planned for easy walking on reasonable terrain for clients with little or no experience of walking or trekking but are of reasonable fitness and can cope with some hill climbing. Duration of walks per day is between 3 - 6 hours. Over a week, there could be one or two more difficult days or walking in higher altitudes. Good health and fitness is essential.

Other considerations: We try to give an accurate assessment of the walking holidays before participants book. Any kind of walking makes some physical demands so even an easy walk can be tiring. Preparation before a trip can mean a pleasant, trouble free holiday. Aches, pains and teamwork is all part of a Group orientated holiday. It sounds like all pain and no gain but that couldn't be further from the truth. The views are stunning. The feeling of freedom with a sudden awareness of your senses can be overwhelming. Achieving personal challenges, eating pure, fresh food, breathing in clean air and physical exertion all play an important part in the 'Feel good factor'.

Change of itinerary: We will endeavour to follow the itinerary handed to you at the airport. However, occasionally, due to factors beyond our control, an itinerary will have to be changed. You will be kept informed of any changes. Once the trip is under way, it may be necessary to exercise our right to change a route or accommodation through reasons such as inclement weather, comfort or safety of our clients or should we consider participants are physically unable to complete the walk. No compensation will be offered under these circumstances, although every effort will be made to ensure you have a pleasurable holiday.

Accommodation: Our Walking Groups will be based in the Red House, Ano Pedina. This pension only has 8 rooms. (Please read the property description in the brochure on page 82.) Therefore, clients are encouraged to share two persons per room. Other nearby accommodation will be used if rooms become fully booked.

Meals: Full Board Basis - Breakfast will be served at the pension each morning. Lunch will be a picnic carried between the Group or a light lunch in a local taverna and supper will be either in the pension or in a taverna. Vegetarians are well catered for with prior notice. Drinks are not included in the package price.

Size of Group: Numbers are limited to a minimum of 6 and a maximum of 12 people per group. Should you wish to put together your own group and perhaps have a tailor made itinerary, we will be happy to discuss this option with you.

Equipment: A suggested items list and further information will be forwarded to you on receipt of full payment prior to your departure from the UK.

Price Includes:

- 1) Return flights from UK airport to Preveza airport, Greece.
- 2) In-flight meals, Greek and UK taxes.
- 3) Return transfers from Preveza airport to the accommodation.
- 4) Transportation during the programme.
- 5) Luggage transfers.
- 6) Accommodation as stated above.
- 7) Meals on a full board basis. Meals excluded are: Lunch on transfer days (Sunday).
- 8) An experienced Guide.

N.B. Our walking or flydrive holidays can be combined as a two-centre holiday, eg: one week walking, second week in one of our accommodations in Lefkada. Please ask for a quote.

BOOKING CONDITIONS

The brochure was published in September 2007. Travelux Ltd, 'the Company', registered in England under company number GB3032925, operates the holidays featured in the Lefkada and Zagori brochure 2008. The following conditions, together with the relevant information set out in the brochure, will form part of your contract with the Company.

1. BOOKING YOUR HOLIDAY

(a) To secure your booking, we require you to fully complete and sign the Travelux Booking Form and return it to the Company with a deposit of 20% per person – or as advised by the Company. If you are booking within 8 weeks of departure, then full payment is required. The signatory of the booking form accepts these contract terms on behalf of everyone named in the booking form.

(b) A contract will exist as soon as we issue a Confirmation Invoice. This contract is made under the terms of these booking conditions, which are governed by English law and both parties agree to submit to the jurisdiction of the English courts at all times. If for any reason the Company does not accept your booking, your deposit will be returned.

(c) Special Requests should be indicated on the Booking Form or made in writing. The Company will try to arrange for Special Requests to be met, but cannot guarantee that they will be. The Company cannot be made liable for any Special Requests not met.

(d) If you arrange your holiday direct with the Company all correspondence and other communications will be sent to the address of the first person named on the Booking Form unless you specify otherwise. If you request correspondence through a business address, a residential address will also be required for emergency and security reasons.

(e) If your booking has been made through a travel agent, the Company will address all communications to that travel agent. All monies paid by you the Client, to a travel agent, in respect of a contract with the Company, they will be held by the travel agent on behalf of the Company until such time they are forwarded to the Company.

(f) The balance is due to Travelux 8 weeks prior to departure.

2. AMENDMENTS & CANCELLATION

(a) Amendments by you

The Company will make every effort to assist you if you wish to alter your arrangements. Requests for an amendment must be in writing and signed by the signatory of the Booking Form. You must pay an amendment charge of £25 per booking, together with all communication charges or other expenses incurred by the Company. These charges will be payable whether or not the Company succeeds in confirming your requested amendment. Your request may be treated as a cancellation and rebooking and the normal cancellation charges detailed in paragraph (b) below will apply dependent upon the conditions imposed by our suppliers. If you are unavoidably prevented from taking your holiday, by reason of, for example, illness, jury service, redundancy, unavoidable work commitments or the death or serious illness of a close family member, it may be possible to transfer your booking to a person acceptable to the Company (but it should be noted that some suppliers, including airlines consider any change of name as a cancellation, thereby attracting cancellation fees of up to the full value of the service) provided that:

- if you request the transfer in writing, allow reasonable time for the changes to be communicated to, and accepted by suppliers.
- your request is in writing and accompanied by documentary proof of the reason for the transfer, any tickets or vouchers received from the Company, full details of the person who will replace you, any balance due for the booking and the appropriate administration fee (see below).
- your replacement agrees to be bound by these booking conditions. The administration fee will be £25 per person. You, as transferee of the holiday and the transferee shall be jointly and severally liable to the Company for payment of the balance due, together with all additional charges of whatever sort imposed by the suppliers providing the component parts of your holiday charges. Please note that airlines in particular, sometimes charge a 100% cancellation fee and the cost of a new ticket.

(b) Cancellation by you

All cancellations must be advised in writing, signed by the signatory of the Booking Form and sent to the Company at 8-9 East Cross, Tenterden, Kent TN30 6AD. Cancellations are effective on the day they are received by the Company. Recorded delivery is strongly recommended. The following cancellation charges (together with holiday insurance premiums) will be payable, depending

upon the number of days prior to departure the Company receives your notice of cancellation.

<i>Number of days prior to departure date written advice of cancellation received</i>	<i>% loss of total holiday cost</i>
More than 57 days	Loss of deposit
56 - 35 days	40% of total holiday cost
34 - 21 days	60% of total holiday cost
20 - 8 days	80% of total holiday cost
Within 7 days	100% of total holiday cost

(c) Amendments by the Company

Great care is taken to ensure that the descriptions and prices given in this brochure are accurate at the time of publication. Changes can occur, though, and the Company reserves the right to change any of the details in this brochure, including prices, in which case the Company will advise you of any such change before accepting your booking. After a Confirmation Invoice has been issued, the Company makes every effort to operate all holidays as advertised. In very rare circumstances, the Company may have to modify a holiday before you depart. If the modification is significant (that is, if it is a change of flight time by more than 12 hours, a change of airport, a change of destination or a change to a lower standard of accommodation), the Company will notify you as soon as practically possible and offer you three choices. You may accept the modification, you may change your booking to another available holiday or you may cancel and receive a full and prompt refund. If you choose another holiday, which is more expensive, you must pay the difference, but if it is cheaper, the Company will make the appropriate refund. If you cancel and receive a full refund following a significant modification made for any reason other than force majeure or low bookings you will receive the following compensation, calculated according to the number of days prior to departure that you are notified of the change.

<i>Number of Days prior to Departure Date When Notification of Change is Sent</i>	<i>Compensation per Person</i>
More than 42 days	£20
29 - 41 days prior	£30
14 - 28 days prior	£40
0 - 13 days prior	£50

Force majeure means unusual and unforeseeable circumstances beyond the Company's control, the consequence of which neither the Company nor its suppliers could avoid, including, but not limited to, war, threat of war, riot, civil strife, terrorist activity, (actual or threatened), industrial dispute, technical problems with transport, machinery or equipment, power failure, natural or nuclear disaster, fire, flood, drought, adverse weather conditions and level of water in rivers. 'Low bookings' means that an insufficient number of people have booked the Group holiday to make the operation financially viable in the advertised form. Cancellation by the Company as a result of low bookings will not be made after the 'balance due' date (i.e. 8 weeks before departure).

If there is a minor modification before you depart (that is, any change not included in the definition of a significant modification set out above), the Company will try to notify you, although it is not obliged to do so, nor is it obliged to pay any compensation. If the Company becomes unable to provide a significant proportion of your holiday after it has commenced, suitable alternative arrangements will be made for you at no extra charge to you or, alternatively, you will be returned to your point of departure and given a pro-rata refund for ground arrangements not received.

(d) Cancellation by the Company

If you fail to pay the balance of the holiday price at least 8 weeks (56 days) before departure, the Company will treat your booking as cancelled and levy the cancellation charges set out in paragraph 2(b) above.

If the Company is obliged to cancel your holiday in any other circumstances before departure, the Company will use its best endeavours to offer alternative arrangements of a comparable standard or will give you a full and prompt refund. In addition, unless the cancellation has been caused by force majeure or low bookings, the Company will pay you compensation as set out in paragraph 2(c).

3. SURCHARGES

(a) All prices are based upon costs as of 29th June 2007, an exchange rate of 1.48728 Euros to 1.00 UK Sterling £ as shown in the Financial Times.

(b) The Company is under no obligation to give a breakdown of the costs involved in a holiday.

(c) The Company reserves the right to notify you of an increase in the brochure or advertised price before accepting your booking.

(d) After a Confirmation Invoice has been issued,

unless you choose to pay for your holiday in full at the time of booking (see paragraph 3(e) below), the price of your holiday is, regrettably, subject to the possibility of surcharges in certain limited circumstances. However, a surcharge will only be levied solely to allow for variations in transportation costs, including costs of fuel, increases in normal published airfares, taxes or fees chargeable for services such as landing taxes at airports, the exchange rate applied to the particular package or if the UK or overseas government or regulatory body introduce or increase taxes. Even then, the Company will absorb an amount equal to 2% of your holiday price (excluding insurance premiums and amendment charges) before passing on any surcharge to you. Only amounts in excess of this 2% will be surcharged. There will be an administration charge of £1.00 per person (together with an amount to cover your travel agent's commission, if applicable). A revised Confirmation Invoice will be sent directly to you or your travel agent notifying you of any surcharges.

(e) If a surcharge would increase the total holiday price shown on your original Confirmation Invoice by 10% or more, you may cancel your booking within 14 days of the date of issue of the revised Invoice and obtain a full refund of all payments made to the Company, except for holiday insurance and any amendment charges previously incurred.

(f) Optionally, you may choose to pay for your holiday in full at the time of booking, in which case your holiday price will be fixed at the cost quoted by the Company at that time. To qualify for this benefit you should return the Confirmation Invoice to the Company with full payment to reach the Company within 7 days of the date when the Confirmation Invoice was first posted to you.

(g) The financial commitments offered above by the Company mean that the Company is not able to reduce holiday prices should the value of the £ strengthen.

4. RESPONSIBILITIES OF THE COMPANY

(a) The Company applies all reasonable checks to ensure that those involved in the preparation and provision of your holiday maintain the appropriate standards. The descriptions, information and opinions given in this brochure by the Company in respect of the airlines and other suppliers whose services used are given in good faith, based on the latest information available at the time of printing.

(b) The Company accepts liability for any loss you may suffer if any part of the holiday arrangements you book with the Company before departure is not as described and not of a reasonable standard. The Company also accepts liability if you suffer death or personal injury as a direct result of these holiday arrangements failing to be as described and of a reasonable standard. However, these acceptances of liability do not apply if there has been no fault on the part of the Company or its servants, agents or suppliers and the loss, death or personal injury suffered is attributable to your own acts or omissions or to the acts or omissions of a third party not involved in providing the services, which make up your holiday, or to unusual or unforeseeable circumstances or events, which could not have been anticipated or avoided by the Company or its servants, agents or suppliers even with the exercise of all due care. They are also conditional upon you following the procedures for notification of complaints set out in condition 9, and upon you assigning to the Company any right you may have against any other person whose acts or omissions have given rise to the Company's liability.

(c) Prompt assistance in resort. If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

(d) The Company's liability to compensate you and the amount of such compensation is subject to the following limitations. First, in the case of damage other than death, illness or personal injury, compensation is restricted to a reasonable amount having regard to such factors as, inter alia, the holiday cost and the extent to which the enjoyment of your holiday can be said to have been affected. Second, in all cases, liability and compensation are limited in accordance with the provisions of all international conventions, which concern transportation and accommodation, namely the Warsaw Convention 1929 (as amended), the Berne Convention 1961, the Athens Convention 1974, the Geneva Convention 1973 and the Paris Convention 1962. Copies of these Conventions are available on request.

(e) Building work and the resulting noise from sites adjacent to any properties featured in the brochure may occur at any time during the season. Where we are aware that such works are likely to occur during your holiday and may in our opinion significantly affect your enjoyment of it, we will advise you. As you will appreciate, third parties often carry out the building works to whom we have no control. Unless our own subcontractors or suppliers are carrying out the building works, we regret we cannot pay any compensation or accept liability, even if we offer you alternative accommodation or a refund as a result.

(f) Flights will depart from a UK airport to Preveza airport by various airlines and types of aircraft. In accordance with EU regulations we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. (See General Information - Flight Details). However, the arrangements are not definitive at time of print but you will be given full details on your final invoice and information with your E-tickets or paper ticket. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard. In the unlikely event we are unable to operate to the airport confirmed at time of booking, we reserve the right to operate to a suitable alternative airport.

5. YOUR RESPONSIBILITIES

(a) General information concerning passport, visa and health requirements applicable to UK Citizens is set out in these booking conditions. However, such requirements are subject to change and you must check current requirements before departure. It is your responsibility to obtain all documents required for your holiday, to ensure that these are in proper order and to take them with you. The Company will not be liable if you fail to do so and you will be responsible for meeting any additional costs incurred by reason of such failure.

(b) You are responsible for checking-in for flights at the correct time and for presenting yourself to take up all pre-booked components of your holiday. The Company cannot accept responsibility for clients missing flights as a result of late check-ins and no credit or refunds will be given if you fail to take up any component of your holiday. No credit or refund will be given for lost, mislaid or destroyed travel documents. Should anyone arrive less than 40 minutes before the ticketed departure time for charter flights, admission to the flight can be refused. Should anyone be refused admission to any flight by the airline or government authority then we are powerless to assist and cannot be held responsible either for the action taken or any extra expenses that may be incurred as a result.

(c) We reserve the right to terminate the arrangements of any client who is in our opinion or in the opinion of any airline pilot, accommodation owner, tour guide, or handling agent, is causing or is likely to cause distress, annoyance or danger to any of our other clients, employees or third party or damage to property. In this case our responsibility for the holiday or the person concerned will immediately cease and we will not be liable to pay any compensation, make any refund or meet any expenses they may incur as a result. Where applicable full cancellation charges will apply.

(d) We are often asked to assist in requesting the provision of facilities from third parties in resort. When we are, we will endeavour to assist on an ex-gratia basis at our discretion. However, it is understood and agreed that any such services provided by third parties do not form part of the contractual relationship between you and us and are therefore not subject to these booking conditions.

(e) The client is responsible for any breakages or damages caused during their stay in resort and payment or replacement will be requested before departing the accommodation.

(f) Any special requests or medical problems must be advised to us at the time of booking and clearly indicated on your booking form. Whilst we will endeavour to meet any reasonable requests, we cannot guarantee they will be fulfilled and failing to do so will not constitute a breach of contract on our part. If you or any member of your party has any medical problems or disability that may affect your holiday, please tell us before you confirm your booking so we can advise on the suitability of the chosen arrangements. In any event you must give us full details in writing at the time of booking.

6. AIRLINES & OTHER SUPPLIERS

(a) As between you and the suppliers of the transport, accommodation and other components making up your holiday, the conditions of the supplier will apply. These conditions may be subject to international Conventions that limit and/or restrict the suppliers' liability. (Copies are available

on request - please allow 28 days).

(b) Transport timings are provided by the carrier concerned and are subject to such matters as weather conditions, maintenance requirements, the ability of passengers to check-in on time and in the case of flights, to air traffic control restrictions. Accordingly, the times of flights and other forms of transport are estimates only and cannot be guaranteed.

(c) Some activities carry inherent risks and if you are participating in such activities you may be asked to sign an additional form by the local supplier.

7. EXCURSIONS AND GROUP BOOKINGS

(a) Please note that when you book an excursion locally, your contract is with that local company providing that excursion and not the Company. The Company has no legal liability for anything that goes wrong on such an excursion and any claim, which you might have arising out of the excursion, will be against the relevant local company and subject to the local company's terms and conditions.

(b) We endeavour to ensure that our accommodation and other services provided for your holiday comply with the safety laws of Greece.

(c) In the interests of safety, our representatives and guides have complete discretion over any activities, which are arranged by or through us taking into consideration the weather conditions, the client's ability and all other relevant factors. All activities advertised are subject to availability. Provision of activities is also subject to the laws and regulations of the country in, which they are provided.

(d) We reserve the right to change the programme, accommodation or itinerary of any tours or special interest holidays if for any reason we decide that a certain destination is no longer suitable. This decision may arise from adverse weather conditions or any other factor, which is beyond our control or for our own operational needs. The holiday leader has final discretion on this matter. We also reserve the right to change the holiday leader for any holiday. Such a change will not be a significant change. Subject to these Booking Conditions, we also reserve the right to vary itineraries and airlines if necessary or appropriate without compensation. Unless such variations constitute a significant change to your holiday arrangements in accordance with these Booking Conditions, you will not necessarily be advised of them.

(e) Minimum Numbers: Some holidays contained in this brochure operate subject to there being a minimum number required. We impose a deadline of 8 weeks prior to the date of departure before deciding if sufficient passengers have booked to travel. In the event that the minimum number has not been reached, we reserve the right to cancel your holiday for this reason providing we notify you not less than 8 weeks before departure. The provisions set out under 2c' Amendments by the Company' will then apply. The Client will receive a full refund. No compensation will be payable.

8. DATA PROTECTION ACT It may be necessary for us to ask you for certain personal information. Examples of this would be dietary requirements, disability/medical or religious information etc. This information will be kept confidential by the Company and is available for you to inspect during the Company's normal working hours. It will be passed to the suppliers (who may reside outside the EU), if it is necessary for them to know this information in order to fulfil our contract to you.

9. IF YOU HAVE A PROBLEM

a) If you are unhappy with any aspect of the Company's arrangements while you are on holiday, you must address your complaint immediately to the Company's local representative (or, if none, to the Company) and to the management of the hotel or other supplier whose services are involved. If the problem cannot be resolved locally and you wish to complain, full details must be sent to the Company in writing to arrive within 30 days of your return. Failure to take either of these steps will deny the Company the opportunity to resolve the problem immediately and or investigate it properly. In consequence, this may affect your rights under this contract. In the rare event of a dispute, which cannot be settled amicably, it may (if you wish) be referred to arbitration under a special Scheme, which, though devised by arrangement with ABTA Ltd, is administered quite independently by the Chartered Institute of Arbitrators. The Scheme (details of which will be supplied on request or found on www.abta.com) provides for a simple and inexpensive method of arbitration on documents alone, with restricted liability on holidaymakers in respect of costs. The Scheme does not apply to claims for an amount greater than £5,000 per person or £25,000 per booking form. Neither does it apply to claims, which are solely or mainly in respect of personal injury or illness or their consequences. Application for arbitration under this scheme must be made within 9 months of the date

of return from the holiday, but in special circumstances it may be offered outside this period.

(b) This contract and any matters arising from it are governed by the laws of England and Wales and are subject to the jurisdiction of the Courts of England and Wales.

10. BROCHURE DESCRIPTIONS

(a) This brochure is planned and produced many months in advance of its commencement of validity. Every effort is made to ensure that the details, description and prices contained in the brochure are correct, based on inspections, and information passed to the Company by its suppliers. However changes do occur, sometimes at short notice and therefore the Company will advise you at the time of booking, or if after booking as soon as possible of any such changes to our published information. It is not always possible for the Company to control all elements of the holiday whereby advertised facilities can sometimes become unavailable at short notice due to inclement weather conditions, lack of demand, emergency repair works, etc.

(b) Photographs are intended to give an overall impression rather than details of a specific resort or accommodation. The Company is not liable for items of furniture or chattels, which appear in the photographs but may have been changed or removed from the villa/hotel, nor is it liable for any aspect of the villa/hotel environment, which may have changed since the photographs were taken. The accommodation and facilities are provided only for the use of passengers shown on the holiday invoice as confirmed by us. Sub-letting, sharing or assignment is prohibited.

Our fleet consists of new, or nearly new yachts from 31' to 46' equipped to the highest standards and including all the necessary equipment to ensure your holiday in the Greek islands is comfortable and safe. The boats all have holding tanks so the heads can be used freely in port and we have increased the battery capacity to ensure that there is no shortage of domestic power.

All the boats go out on charter with a high quality set of linen and a fully equipped galley to ensure that your stay on board is both comfortable and relaxing. On some of the boats we have retained a standard rig with conventional reefing lines and on others we have incorporated either lazy bag systems or in-mast reefing, depending on personal preference.

All our yachts have the following items as standard:

Echosounder	Bimini Sunshade	Electric Fridge
Speedometer	GPS (plotter on all boats apart from Good News)	Hot Water
Furling Genoa (Röller)	Autopilot	Holding Tank(s)
